hello Shari, Im here at the apartment- the plumbers / porter are a no-show

10:13 AM

nevermind,, he showed up late.

terrible bedside manner - walked in without taking his shoes off

10:14 AM

disgusting

10:22 AM

he didn't even take his shoes off, tracked his nasty boots all over my beautiful floors

10:24 AM

but its ok... just next time ask them to remove their shoes before they repair the window... if that ever happens...
